God Will Help and Heal Us Through Our Faith

God is no respecter of persons, and He wants all of His children well and whole. Some people might say, "If this is the case, why are so many Christians sick?" Well there are many reasons why this is so, but the main reason is a lack of God's Word in them, and therefore the lack of acting on what His Word says. Let's look at what Jesus says about this subject.

John 15:7 KJV If ye abide in Me, and My Words abide in you, ye shall ask what ye will, and it shall be done unto you.

Jesus' Words are His Will. If we read His Word, we are reading His Will.

Matthew 8:6-7, 13 KJV And saying, Lord, my servant lieth at home sick of the palsy, grievously tormented. [7] And Jesus saith unto him, I will come and heal him...[13] And Jesus said unto the centurion, Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed in the selfsame hour.

We see that God's Will and the centurion's belief caused the servant to be healed. I'm so excited today, because many Christians are waking up and believing that their Father God wants them well and whole. When the devil attacks them with sickness, they believe that their God is their healer; and they are taking His love gift of healing. Let's look at some more Scriptures to persuade us to believe for a life of divine health.

Matthew 4:23-24 KJV And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the Kingdom, and healing all manner of sickness and all manner of disease among the people. [24] And His fame went throughout all Syria: and they brought unto Him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy; and He healed them.

You notice that Jesus did not just try to change man's behavior, He always healed the sick while teaching the people how to live holy. In this Newsletter I want you to think about how evil sickness and disease is. It is the devil himself making man pay for their sins that he actually tempts them to commit. When Jesus was on the earth, sickness and disease was a major target that Jesus destroyed in people's lives. He didn't heal people just to prove He was the Christ; He heals all people, because he loves mankind and hates sickness; which is evil. We Christians have been given the same mission as Jesus, so study the Word of God on this subject; and let's go and destroy sin, sickness and disease!

Acts 10:38 KJV How God anointed Jesus of Nazareth with the Holy Ghost and with power: Who went about doing good, and healing all that were oppressed of the devil; for God was with Him.

Hebrews 13:8 KJV Jesus Christ the same yesterday, and to day, and for ever.

Love you guys,
