

America: A Nation Picked by God

God chose America to evangelize the world; and as you read this Newsletter, I hope you will see how blessed you really are to live in this wonderful country.

America is the country I grew up in; I'm not an immigrant, I was born here. I'm very grateful for the opportunities this country has afforded me. I'm now 71 years old, and I've pastored The Christian Center since it was started in my living room in 1986. I've ministered to thousands of people since it's conception, and I've watched people of all colors and backgrounds be so blessed in this great country. I believe God is for everyone, and I believe God started this country to bring freedom to everyone. When God inspired the founders of America to establish this nation, He knew He would be using many sinful people to do it. There has only been one person that has ever been perfect and sinless; His Name is Jesus.

America is all of the people combined, so when people say that America is bad, they are saying that all the people of America are bad. When people say that America is prejudice, they are saying that all the people of America are prejudice. There are bad people in America, and there are prejudice people in America; but that is not the majority. God is moving in America. The Spirit of God is revealing Jesus to thousands of people, and they are being set free. Once again the devil is losing. I want you to be encouraged; America is being prepared for the greatest revival that has ever been. America will come to the light, and we will help the world come as well.

The blessing of the Lord Jesus is on our country. God knew what He was doing when America was being founded. He saw the millions of Americans that would come out of America and preach the gospel all over the world. I encourage you today to not let yourself be deceived! Our greatest days are in front of us!!

Whenever I hear people talk about how bad America is, I always tell them to drive through any town in America; and they will see Christian churches everywhere. They still have faithful people in them that love God and people. The devil wants us to see the bad; not the good. Thank you for letting me speak into your life in this Newsletter.

Love you sooo much,

Pastor Paul

P.S. Pray for our President, First Lady and our Nation today. We believe that God's healing is manifesting.
