

God's Best Life Is Accessed By Our Believing.

God's desire is to see His people live the blessed life. As we believe God's Word, we will start experiencing God's good life. God has put us in charge of our own destiny. The Word of God is God's currency; as we read it and study it, we become rich spiritually. The power to receive God's blessings then comes through this currency.

Let's think about natural money. When we get it, our life can dramatically change. If we don't have transportation, money can purchase vehicles to take us places we couldn't go before. If we are hungry, money can purchase food. We know that money has power in it to make our lives better. In the same way, God's faith, that comes from His Word, will cause us to be able to live so much better than people that don't have this faith.

In this natural world, there are people that live such comfortable lives because of money. Their surroundings are filled with beauty and luxury, but right across town there are people that are living in misery; because they don't have enough money to even buy food. Take it a step further, in the U.S. most people living in poverty never starve to death because of government assistance; but go to some third-world countries, and you will see starvation and death happening all around you. Most of us don't even want to think about all the people that are hurting because of the lack of money.

When I first started in ministry, I saw that my primary job was to preach Jesus and get as many people saved as I could. I wanted them to go to Heaven and miss hell. I still believe in this mission, but now I've seen something else. God wants His children on the earth blessed in all realms of their existence - physically, financially, socially, mentally, and spiritually. If any of us, as Christians, are poor in any of these areas, God wants it to change. The power to change it comes from the Word of God. The Bible is THE book of prosperity. You can't read and study it very long and stay poor.

Most people think that God just picks and chooses people to bless and leaves other people out in the cold. This is a false teaching. God has a system that is already in place to create Heaven on Earth for mankind, it's called the faith system. As you read these Scripture verses, you will see God's way of blessing His children.

Romans 1:16 KJV For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.

10:17 KJV So then faith cometh by hearing, and hearing by the Word of God.

Mark 9:23 KJV Jesus said unto him, If thou canst believe, all things are possible to him that believeth.

John 3:15 KJV That whosoever believeth in Him should not perish, but have eternal life.

Notice the word believe (or believeth) in these verses. As a person reads and studies the Word of God, they will start receiving the currency of the Spirit to receive God's blessings. Don't neglect

God's Word, put it first place in your life; so you don't have to live poor. Meditate on this verse, and let it change your life.

Psalm 35:27 KJV Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the Lord be magnified, which hath pleasure in the prosperity of his servant.

Love you,
Pastor Paul
